¹ On December 3, 2022, on Lawyer's Day, the presentation of the monograph *Relevant Tasks of Energy Law* edited by V.V. Romanova, LL.D., Professor, took place at the Zaryadye Concert Hall in Moscow.

³ The monograph *Relevant Tasks of Energy Law* edited by V.V. Romanova, LL.D., Professor, is devoted to the relevant tasks of energy industry legal regulation. The paper examines current trends in the fuel and energy complex legal regulation within the conditions of economic sanctions, promising areas of the use of digital technologies in the energy industry, problematic aspects of the legal regulation of the climate agenda in the Russian Federation and abroad, the objectives of the oil and gas complex legal regulation, trends in the development of contractual regulation in the energy industry, the objectives of legal regulation of corporate governance in energy companies, and draws conclusions on the further formation of the energy law order for ensuring energy security. The monograph is prepared on the basis of modern laws, analysis of law enforcement practices, and foreign experience in legal regulation. The monograph can be useful for researchers, practicing lawyers, civil servants, representatives of the judicial community, specialists in energy industry and anyone interested in the problems of energy industry legal regulation.

⁴ The presentation of the monograph *Relevant Tasks of Energy Law* was attended by: V.V. Romanova, Chairperson of the Commission of the Association of Lawyers of Russia on Energy Law and Development of Laws in the Fuel and Energy Complex, Chief Scientific Officer of the Autonomous Non-Commercial Organization V.A. Musin Research Center for the Development of Energy Law and Modern Legal Science, LL.D., Professor, A.G. Lisitsyn-Svetlanov, Academician of the Russian Academy of Sciences, LL.D., M.I. Kleandrov, Corresponding Member of the Russian Academy of Sciences, LL.D., Professor, Honored Lawyer of the Russian Federation, Honored Worker of Science of the Russian Federation.

6 Esteemed reviewers highly appreciated the level of the prepared monograph, emphasizing the increasing importance of the issues of energy industry legal regulation studied in the monograph. Special attention was paid to the sections of the monograph devoted to the tasks of legal regulation of the fuel and energy complex in the conditions of economic sanctions.

⁹ Speaking at the presentation of the monograph, V.V. Romanova thanked the team of authors, reviewers, participants of scientific events for their work, caring attitude to the further development of legal regulation in the fuel and energy complex, support, assistance, advertency and kind attitude, valuable recommendations and advice.

¹⁰ The most sincere words of gratitude were expressed to the management and the entire staff of Gazprom, PJSC, for the opportunity to develop energy law for the benefit

of the Russian energy industry, for an invaluable contribution to the preservation and preservation of the scientific heritage of V.A. Musin.

¹¹ V.V. Romanova sincerely thanked the Ministry of Energy of the Russian Federation, the Association of Lawyers of Russia, members of the Commission on Energy Law and Development of Laws in the Fuel and Energy Complex for their support and assistance in organizing and conducting scientific and practical events, constructive long-term cooperation.

A review of the presentation of the Relevant Tasks of Energy Law monograph edited by V.V. Romanova
