<sup>2</sup> The Annual International Scientific and Practical Conference “**Musin Readings 2023. Topical Issues of Energy Law**” was successfully held on April 13, 2023.

<sup>3</sup> The conference participants were welcomed by **Maxim Nedzvetsky**, CEO of Gazprom VNIIGAZ LLC.

# МУСИНСКИЕ ЧТЕНИЯ – 2023

НАУЧНО-ПРАКТИЧЕСКАЯ КОНФЕРЕНЦИЯ

АКТУАЛЬНЫЕ ЗАДАЧИ ЭНЕРГЕТИЧЕСКОГО ПРАВА

## УВАЖАЕМЫЕ КОЛЛЕГИ!

Приветствую участников научно-практической конференции  
«МУСИНСКИЕ ЧТЕНИЯ – 2023.  
АКТУАЛЬНЫЕ ЗАДАЧИ ЭНЕРГЕТИЧЕСКОГО ПРАВА».

Конференция ежегодно объединяет ученых и практиков в области энергетического права. Энергетика для юристов сегодня – одно из наиболее интересных и перспективных направлений деятельности. В свою очередь и энергетические компании нуждаются в профильных кадрах высшей квалификации и в возможности систематического повышения уровня своих сотрудников.

«Мусинские чтения» – высокопрофессиональная научно-практическая дискуссионная площадка для выстраивания четкого треугольника отношений «компания – государство – потребители». С каждым годом обсуждаемых вопросов становится все больше, по результатам делаются выводы, формулируются рекомендации о направлениях дальнейшего развития нормативно-правового регулирования в топливно-энергетическом комплексе, что в целом способствует развитию энергетического права в России.

Желаю участникам успешной работы и плодотворного сотрудничества.

Генеральный директор  
ООО «Газпром ВНИИГАЗ»  
М.Ю. Недзвецкий

5 **Vladimir Pligin**, Co-Chairman of the Association of Lawyers of Russia, addressed the conference with a welcoming speech.

6 <https://musinlc.ru/musinskie-chteniya-2023-2/>

7 The conference moderator - Victoria Romanova, LL.D., Professor, Scientific Supervisor of Autonomous Non-Commercial Organization V.A. Musin Research Center for the Development of Energy Law and Modern Legal Science, Chairman of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws, welcomed the participants of the conference.

8 The conference was attended by representatives of the scientific and expert community, energy companies, and public organizations.

9 The participants of the conference discussed current issues of energy law development in the Russian Federation and abroad. Issues related to the formation of the common electric power market of the Eurasian Economic Union, problematic aspects of international legal regulation of interaction between the Member States of the Eurasian Economic Union, formation of trends and goals of development of gas law in the Russian Federation and the People's Republic of China, development of international nuclear law, development of low-carbon energy in the Russian Federation, the Republic of Serbia, other foreign countries, etc. were of great interest.

10 **Reports were presented by:**

11 **Andrey Lisitsyn-Svetlanov**, LL.D., Professor, Academician of the Russian Academy of Sciences, Member of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws, - **Contractual Terms and Legal Risks of Energy Projects**.

12 **Mikhail Kleandrov**, LL.D., Professor, Honored Scientist of the Russian Federation, Honored Lawyer of the Russian Federation, Corresponding Member of the Russian Academy of Sciences, Member of the Commission on Energy Law and Development of Law in the Fuel and Energy Sector of the Association of Lawyers of Russia: - **Energy Sector and Justice: Modern Problems of Turbulence and Legal Regulation**

13 **Svetlana Zaitseva**, Head of the Electric Power and Nuclear Policy Division of the Department of Energy of the Eurasian Economic Commission: – **Current Tasks of Forming the Legal Framework of the Common Electric Power Market of the Eurasian Economic Commission**.

14 **Yuliya Lebedeva**, PhD (Law), Adviser at the Department of History and Records of the Ministry of Foreign Affairs of the Russian Federation - **Legal Issues of NPP Safety in the War Zone**.

15 **Vesna Zivkovic**, Energy Law Association of the Republic of Serbia - **Trends in the Legal Regulation of State Support of Solar Energy Development in the Republic of Serbia and the Republic of Slovenia**.

16 **Gao Yuy**, People's Republic of China, Graduate of Saint Petersburg State University - **Prospects of Cooperation between China and Russia in Gas Supply Area**.

17 **Victoria Romanova**, LL.D., Professor, Scientific Supervisor of Autonomous Non-Commercial Organization V.A. Musin Research Center for the Development of Energy Law and Modern Legal Science, Chairman of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws – **Current Tasks of Gas Law**.

18 **Petr Lakhno**, PhD (Law), Associate Professor, Associate Professor of the Department of Business Law of the Law Faculty of the Lomonosov Moscow State

University, Executive Director of Energy and Law Research and Educational Center - **Turn to the East (China) and South (India) in the Energy Sector: Legal Aspects.**

<sup>19</sup> **Roza Saliyeva**, LL.D., Professor, Head of the Laboratory of Legal Problems of Subsoil Use, Ecology and the Fuel and Energy Complex, Academy of Sciences of the Republic of Tatarstan, Member of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws - **Legal Regulation and Law Enforcement Practice in the Field of State Subsoil Monitoring.**

<sup>20</sup> **Vyacheslav Gusyakov**, PhD (Law), Deputy Chairman of the International Union of Lawyers, Member of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws - **Oil and Law. Why Kazakhstan Is Not Russia?**

<sup>21</sup> **Vadim Shabunya**, PhD (Law), Associate Professor of the Department of Information, Energy Law and Criminal Law Disciplines of the National University of Oil and Gas “Gubkin University”, Director of Legal Support, MosTransProject State Budgetary Institution, Member of the Board of the Association of Lawyers of Russia for Energy Law and Development of the Energy Complex Laws - **State Support of Development of Liquefied Natural Gas Markets.**

<sup>22</sup> **Nikolay Akimov**, PhD (Law), Senior Research Scientist of Autonomous Non-Commercial Organization V.A. Musin Research Center for the Development of Energy Law and Modern Legal Science – **Current Issues of Corporate Liability in Energy Companies.**

<sup>23</sup> **Ekaterina Kologermanskaya**, PhD (Law), Legal Counsel at PromHim LLC - **Current Trends in Legal Regulation of Electric Power Storage in the Russian Federation and Foreign Countries.**

<sup>24</sup> **Sergey Koshman**, Junior Research Scientist of Autonomous Non-Commercial Organization V.A. Musin Research Center for the Development of Energy Law and Modern Legal Science - **Legal Regulation of Natural Gas Exports under the Laws of Foreign Countries.**

<sup>25</sup> **Konstantin Moskvina**, Lawyer of the Department of Legal Support of the Legal Administration, of the Association “NP Market Council” - **Formation of Statutory Regulation for the Operation of Electric Power Storage Systems and the Electric Power Industry.** **Lev Nakonechny**, Head of Legal Support for Customs and Tariff Regulation at Gazpromneft Expert Solutions LLC – **Current Issues of Intergovernmental Agreements with EAEU Member States.**

<sup>26</sup> **Vyacheslav Bylinin**, Senior Legal Counsel at Gazpromneft Expert Solutions LLC - **Special Status of Land Plots as a Restriction for the Location of Gas Stations (Land Plots in Water Protection Zones, Land Plots in Agricultural Areas, Land Plots in Easement Areas of Federal Roads).**

<sup>27</sup> **Egor Bobrov**, Senior Lawyer of Subsoil Use and Ecology Practice at Gazpromneft Expert Solutions LLC - **Legal Support for Climate Projects.**

<sup>28</sup> **Nadezhda Golub**, Leading Legal Counsel of the Legal, Corporate, and Property Relations Unit of Territorial Generating Company No. 11, JSC – **Offsetting of**

## **Emission Quotas between Legal Entities Participating in Quota Experiments (as Exemplified by FEC Organizations).**

<sup>29</sup> At the end of the conference, the participants noted the high relevance of the areas of legal regulation discussed at the conference, stressed the need to fill the gaps in legal regulation and eliminate elements of legal uncertainty and contradictions.

<sup>30</sup> General recommendations on the development of legal regulation in the fuel and energy complex will be forwarded to the State Duma's Energy Committee, the Russian Ministry of Energy, and Gazprom PJSC.

<sup>31</sup> Summing up the results of the conference, V. Romanova once again thanked everyone for their active participation in the preparation and holding of Musin Readings 2023, for the kind attitude to the memory of V.A. Musin, and for the support in the preservation of V.A. Musin's scientific heritage.
